

Church?

Looking for a change and a place to experience the Holy Spirit in Christ centered worship?

Feeling rejected in church because of who you are or what you wear?

Looking for a place where you will not get lost in the crowds?

Join us as a community of believers and seekers focused on growing closer to Jesus Christ.

We are small community churches united in serving our Lord and sharing his love for all.

Come as you are, like you are and experience God's great grace and mercy!
